Dedication

IN APPRECIATION of her interest in GHS, in recognition of her efforts in teaching math, and with confidence that we express the will of everyone associated with Greenville High, the staff dedicates the 1947 Nautilus to Mrs. Maud N. Earle, chairman of the mathematics department.

Mrs. Maud N. Earle

Alma Mater

There is a school we love in Dixie Land,

'Tis Greenville High for which we take our stand.

There we are taught to fill in life a place,

There learn to do, to dare, to run the race.

Trueness and Purity our colors show,

Red as the crimson and white as the snow.

Loyal to our motto may we e'er be,

Only through truth shall we be free.

Though we may wander far, whate'er our lot,

We'll ever keep the lessons you have taught.

Our hearts will turn to thee in tenderness,

And pray God bless you, dear old GHS.

IN AUTUMN A YOUNG man's fancy turns to thoughts of football. So it happened at GHS in 1946. A large group of prospective candidates turned out for the opening practice. These boys labored long and hard, under the watchful eyes of Coaches J. H. "Speedy" Speer and J. A. "Slick" Moore, to turn out the 1946 football machine.

The Raiders were in top form as they downed the Easley High Green Waves by a margin of 34 to 13 in the season's opener. Olympia High of Columbia came to Greenville the next Friday to carry a 36 to 28 victory home. Greenville then packed her grips and left for Anderson. The weather was wet and Greenville barely nosed out the Yellow Jackets by a slim score of 20 to 19.

The Gaffney Indians were the next visitors. The Dynamos, who could not get enough electricity, found themselves on the tail end of a 7 to 12 defeat handed them by the Indians. Greenville again went traveling. This time to the state capitol to meet Columbia. To the Raiders' regret the score was 0 to 6.

Old man weather interfered again, this time postponing the game with Blue Ridge School for Boys from Hendersonville, N. C., to the next night. Greenville went up and down the field but could not cross the goal but once and was again on the short end of a 6 to 14 score.

Asheville came to get revenge from the year before by getting "pay dirt" three times to our one—6 to 19.

By this time Greenville was fed up with losing. Traveling to the Hub City of Spartanburg, the Red Raiders stopped the train 7 to 6. Then the Dynamo really started to generate electricity and turned back the Charleston Bantams 13 to 7.

The team and coaches really slaved the next week—turkey day was coming. This meant the game with Parker—the final game of the season. The stands were packed, everyone was sitting on edge. From the opening kickoff to the final whistle, it was a thriller-diller. The Tornado's line averaged two hundred pounds and could not move fast enough to catch Greenville's fleet-footed backs. Both teams were in each other's back yards; both scored twice, with Greenville making the two extra points to end with a 14 to 12 final score.

DIAMOND LURE *and*
DIAMOND HERE *and* NOW

1856-1947

The sometimes fabled Diamonds of antiquity carried no greater charm of fascination than the Diamonds we are showing now. Come in and see them when you will. Let our 84 years of Diamond handling be yours to command as we tell you the things about Diamonds that will allow you to draw hairlines of distinction in grading your application. Then let our enviable Diamond buying privileges be put to work to SAVE YOU MONEY in the Diamond purchases you from time to time make. We are not talking at random when we advise you that this is a good time, especially at the favoring prices we are now able to offer — to buy DIAMONDS.

YOU MUST BUY VALUE IN DIAMONDS IF WE MAKE THE SALE.

Our Complete Jewelry Manufacturing Facilities — right on the premises — are yours to make use of no matter on how quick call — for remounting, for modernizing of jewelry pieces of cuttings and the like —
